Four-Color Brochure from Eriez® Highlights Magnetic and Separation Equipment for the Metalworking Industry

Erie, Pa. — Eriez®, world authority in magnetic, vibratory and inspection applications, is offering a four-color brochure that showcases the company's magnetic and separation equipment designed for the metalworking industry. "[Equipment for the Metalworking Industry](#)" is available free from Eriez online or by mail.

Readers can easily determine the Eriez equipment that is ideal for their application by reviewing a helpful table that matches a wide variety of specific metalworking applications with appropriate Eriez equipment to get the job done. Equipment highlighted in the brochure includes Magna Rolls, Sheet Fanners, Vibratory Feeders, Chip and Parts Conveyors, Lifting Magnets, Belt Conveyors, Coolant Cleaners, Liquid Line Traps, Grate Magnets and more.

"Equipment for the Metalworking Industry" also highlights Eriez' new 5-Star Service Center, which is located in Lake City, Pennsylvania. The 5-Star Service Center helps eliminate or reduce equipment downtime by ensuring that customers' magnetic, vibratory and inspection processing equipment is quickly back in operation and functioning at peak performance. The 5-Star Service Center utilizes original OEM parts and offers on-site field testing, equipment re-manufacturing and "as new" warranties.

Additionally, the brochure brings attention to the **EriezXpress program**. It explains that Eriez identified those products most often ordered with fast shipment requirements and incorporated them into this program. Upon credit approval, orders received at Eriez-USA by 4:00 PM will be processed and shipped the next business day. The many metalworking products in the **EriezXpress program** include: Vibratory Feeders, Lifting Magnets, Bin Vibrators, Coolant Cleaners, Magna-Rolls and Sheet Fanners.

To download a PDF of "Equipment for the Metalworking," go to <http://en-us.eriez.com/Products/Markets/Metalworking/>. To request a brochure by standard mail, contact Eriez.

Eriez is recognized as world authority in advanced technology for magnetic, vibratory and inspection applications. The company's magnetic lift and separation, metal detection, x-ray, materials feeding, screening, conveying and controlling equipment have application in the process, metalworking, packaging, recycling, mining, aggregate and textile industries. Eriez manufactures and markets these products through ten international facilities located on six continents. For more information, call toll-free (888) 300-ERIEZ (3743) within the U.S. and Canada. For online users, visit www.eriez.com or send e-mail to eriez@eriez.com. Eriez World Headquarters is located at 2200 Asbury Road, Erie, PA 16506.
